### The Legend of the Candy Cane

According to legend, a candymaker wanted to invent candy that was a witness to Christ. First he used a hard candy because Christ is the rock of ages.

This hard candy was shaped so that it would resemble a 'J' for Jesus, or turned upside down, a shepherd's staff. He made it white to represent the purity of Christ.

A large red stripe was added, representing the blood Christ shed for the sins of the world. The thinner stripes represent the suffering He endured for us.

The peppermint flavor is similar to hyssop, used in the Old Testament for purification and sacrifice. Jesus is the pure lamb of God, who came as a sacrifice for the sins of the world.

Share the legend and celebrate Christ!

Once upon a winter,  
a snowman we did see.

He sparkled white like diamonds  
and smiled happily.

We should have that smile

that is on the snowman's face,

*For God has taken all our sins  
and cleansed us by His grace.*

He sent our loving Savior, born so long ago,

Who paid our debt and made us clean

As freshly fallen snow.
